STALLED B YHOPPERS.
DODGE CITY, Kans., August 1.—"Train No. 564 delayed 40 minutes; stalled by grasshoppers," was the report received at the Rock Island station yesterday.

SMART SET HAS
NEW STEP TO
BANISH CARE

DANCERS CLASPED ALOOF IN WHIRL, BUT IT'S AESTHETICALLY INTOXICATING.

It's a dreamy languid melody of motion, a sort of soul rhythm of graceful concert wherein nothing but elegance enters. All the society girls are perfectly wild about its possibilities and the exclusive beings of the smart set have pronounced it the sweetest, cutest bit of gyrations that ever made its bow in San Francisco's beaux and belles.

"Hesitation" is its name—the "Hesitation Waltz"—and it is as fresh as the ocean breezes and it is purely a product of the city by the Golden Gate.

No clutching or ragging effects enter into its execution—the maiden stands aloof from her partner and stares him in the eyes when they "hesitate," which which they do follow three little running steps forward and backward.

Of course, she doesn't have to stare him in the eyes. She can cast her liquid orbs elsewhere, but that's half the fun and fascination of this new brand of light fantastic.

The "Hesitation" waltzes have already been pronounced a stupendous success by many of the buds of San Francisco society, who say they are wearied with rags and ragging and embracing and all that goes to make up the conglomeration of the cabaret forms of dancing, such as the "Grizzly Bear," the "Bunny Hug," and the "Turkey Trot."

For there's absolutely nothing—not even a suggestion—of unrestrained physicality, musically or mentally in this freshly blown product of the waxed floor. Yet it is fascinating, and, oh, yes, slightly intoxicating.

The Typewriter Used
by "Big Business"

---Yours for 17 Cents a Day

The Oliver Typewriter No. 6—the famous Printtype Model used by the world's greatest firms and corporations—is offered to anyone, anywhere for 17 cents a day.

The same model which the purchasing agents of "big business" buy by the hundred, now sold to the public for pennies. Sold at the regular \$125 price, but on terms so easy that each machine quickly pays for itself. The price includes all the latest improvements, the special time saving device and the beautiful Printtype mechanism only on this model.

A Profit-Sharing Agency Plan

We now have in operation in the United States and Canada more than 15,000 Oliver local agencies. These agents have received hundreds of thousands of dollars in profits on sales of Oliver Typewriters.

There are still hundreds of places where no agencies are established. Applicants for Oliver local agencies must be earnest workers. They need not have had previous experience. We enroll them at once in The

Oliver School of Practical Business and teach them selling as part of the free training given.

When they have proved their worth, we promote them to the direct service, in which they may rise to the highest positions in the company.

One of our general officials began his Oliver career as a Local Agent at Waco, Texas.

Printtype

OLIVER

Typewriter

The Standard Visible Writer.

The Oliver is the best seller because it is the best typewriter. It has many exclusive features. It is the only typewriter that prints print. It really owns and controls Printtype, now conceded to be the greatest single advance ever made in typewriter construction.

We guarantee Printtype to be exclusively used on Oliver Typewriter.

Oliver agents sell Printtype Oliver in thousands. The demand is voluntary and steady.

Oliver agents are permitted to sell on our 17-cents-a-day plan, which puts the Oliver in everyone's reach. Agents may even secure their own sample outfit on the 17-cents-a-day plan and let their agency earnings help carry the deal.

Oliver agents are protected in exclusive selling rights in the territory given them. They own the local typewriter business.

When you apply, be sure to give some details about the typewriter sales possibilities of your town, village or city.

AND DON'T DELAY

We like and reward promptness. Full details of Agency Proposition, a specimen of Printtype, the 17-cents-a-day plan and other interesting information will be sent immediately on receipt of your application.
